Camp Songs sung by boys and girls at Camp Tocoloma
 in Sedona, Arizona.

*This song was sung on the bus home from camp.

*Gladys
 Forty-two days of starvation,
 Then we head for the station,
 Back to civilization,
 We're going home again.

Repeated several times.

*This song was sung by the boys and girls at Camp
 Tocoloma when they started the hike up the hill to
 the outhouse.

Got out of bed,
 Stepped on the floor,
 Put on my shoes,
 Headed for the door.....

Diarrhea, Diarrhea, Diarrhea, Diarrhea...

*Poem which originated from Camp Tocoloma

In the days of old,
 When the Knights were bold
 and toilets weren't invented,

They dumped their loads,
 in the middle of roads
 and went away contented.
